1. REU Site research mentor survey

Thank you for taking about 10-15 minutes to complete this survey on the summer 2007 REU Site program. Your response is very valuable and will help us provide feedback to NSF and improve the program for next summer.

1. Name:

* 2. What area did you support in the REU Site?

- ⫿ Digital Games
- ⫿ Mobile Robotics and Networking
- ⫿ Data Visualization
- ⫿ Virtual Environments

* 3. I am a...

⫿ Professor   ⫿ Graduate Student

4. Please select the rating that best matches your level of agreement with the following statements.

	Strongly Agree	Agree	Slightly Agree	Slightly Disagree	Disagree	Strongly Disagree
My REU students were well-prepared to perform research.	⫿	⫿	⫿	⫿	⫿	⫿
My REU students had sufficient experience in computing to support their REU work.	⫿	⫿	⫿	⫿	⫿	⫿
My REU students had sufficient exposure to statistics prior to the REU site.	⫿	⫿	⫿	⫿	⫿	⫿
My REU students were well-prepared to make technical presentations.	⫿	⫿	⫿	⫿	⫿	⫿
I was happy with the quality of the students working with me.	⫿	⫿	⫿	⫿	⫿	⫿
I was happy with the diversity of students selected to work with me.	⫿	⫿	⫿	⫿	⫿	⫿

5. Please choose the item that best matches your answers to the following statements.

	Every day	2+ times a week	Once a week	Every other week	Once a month	Don't know	N/A
How often did you meet with your REU students?							
How often did your REU students meet with other REU/McNair students to collaborate on projects?							
How often did your REU students attend social events with other students/researchers?							

6. About how many hours per week did you spend on preparing for and working to support your REU students?

[   ]

* 7. How were your students organized for their research projects?

Individual

Small groups (how many students per group?)

[   ]

8. Who met most frequently with the REU students?

A graduate mentor

A faculty mentor

Multiple faculty mentors

9. How many of your students have continued to work with you doing research? Please comment on how well this is going.

[   ]

10. Please list any publications (please indicate planned, submitted, & accepted) that have resulted from your summer REU work.

[   ]

11. Do any of your students plan to attend graduate school in computing as a result of the REU program? Do they plan to, or are they attending UNCC for graduate school in computing?

12. Have any of your students attended computing-related conferences? How has this affected your students interests in computing and/or graduate school?

13. How do you feel the REU site affected your students' interests in computing and graduate school in computing?

14. What was the most effective element of the REU Site program for you and your students, in terms of research and promoting graduate studies, for Summer 2006?

15. What suggestions do you have for improvement for next year's REU Site?

16. Please provide any additional information you feel would be interesting to NSF - they are looking for "nuggets":

- **anecdotal information that**
- **provides insight into a funded program, or**
- **illustrates the impact of the program**
- **demonstrates any unexpected effects**

17. You may use this space for any additional comments or suggestions.

2. Thank you!

Thank you for completing this survey. It will help us in reporting to NSF and improving the program for next year.
